

BUBBA|STORAGE

Bubba®|STORAGE is an external SATA disk, primarily for use at home or in a small business.

Bubba®|STORAGE is available with several hard drive sizes.

Using **Bubba®|STORAGE** is the best way to increase the disc space in **Bubba®|TWO**.

✓ Backup solution

Make backups from your **Bubba®|TWO** to your **Bubba®|Storage** to keep your valuable photos and files safe.

✓ RAID functionality

Together with your **Bubba®|TWO** the **Bubba®|STORAGE** will have convenient ways of performing RAID solutions.

✓ Silent cooling

An innovative solid aluminum case cools the hard drive efficiently, without the need for fans. Combined with the low power electronics, fully passive cooling is possible - without compromising the product's longevity.

✓ Environmentally friendly

Bubba|Storage is delivered with one of the most energy saving hard disks available at the market today. This means that you will save money on your electricity bill.

✓ Robust design

The aluminum case makes **Bubba|Storage** to one of the most solid eSATA disks available.

✓ Tiny case

A small, easily placed aluminum case, measuring only 11.5 x 4.5 x 18.5 cm (4.5 x 1.8 x 7 in), small as a pocket book. Painted with a thin layer of black rubber, the design easily blends in with any environment.

*By using an innovative cooling system, **Bubba®|STORAGE** does not require any fans, thus making it almost completely silent.*
